## ALLEGED VIOLATIONS

The information provided in the previous petition, filed as docket entry No. 282, has been amended as follows:

- Violation No. 1 - has been amended to include a recent criminal charge
- Violation No. 5 - has been amended to include additional failures to report for drug testing
- Violation No. 8 - has been added

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation No.    Nature of Noncompliance

1.                    **The defendant shall not commit another federal, state, or local crime.**

On April 3, 2013, Mr. Gentry was arrested for Possession of Drug Paraphernalia, in Pulaski, Tennessee. The complaint indicates that during a traffic stop, he was found to be in possession of a glass pipe, used to smoke crack cocaine. Mr. Gentry admits to finding a crack cocaine pipe and having it in the car with him during the traffic stop. On May 2, 2013, Mr. Gentry pled guilty to this charge in Giles County General Sessions Court. He was fined \$150 and placed on probation for 11 months and 29 days.

On July 13, 2013, Mr. Gentry was issued a citation for Theft of Services under \$500 by the Metropolitan Nashville Police Department. He was booked on the charges on August 9, 2013. According to the citation, Mr. Gentry was eating with a friend at Rodizio Grill and left without paying the bill. The staff of Rodizio Grill followed Mr. Gentry. He then gave the staff \$30 of the \$72.08 bill and was escorted by the staff back to the restaurant for the police to be called. Mr. Gentry stated that he had the money but not with him. His next court date is scheduled for October 7, 2013, in Davidson County General Sessions Court.

2.                    **The defendant shall refrain from any unlawful use of a controlled substance.**

On April 5, 2013, Mr. Gentry submitted a positive drug screen for cocaine. He admitted that he had used crack cocaine on April 3, 2013. Mr. Gentry also submitted a positive drug screen for cocaine on May 8, 2013, and admitted to the use of powder cocaine a few days prior to the drug screen.

3.                    **The defendant shall be required to participate in an adult education program and prove consistent effort, as determined appropriate by the U.S. Probation Officer, toward obtaining a General Equivalency Diploma (GED).**

Mr. Gentry was instructed to go to the GED Program in Giles County. He has shown no progress in working towards a GED to the probation officer.

4.                    **The defendant shall maintain verifiable employment subject to the approval of the U.S. Probation Officer.**

Mr. Gentry was not employed from June 2012, until May 2013. Prior to June 2012, he was employed at Deal's Auto Detailing, in Nashville. He quit in June 2012, when he returned to his parents' home in Pulaski. He is currently unemployed. He was most recently employed again at Deal's Auto Detailing from May 2013, until July 23, 2013, in Nashville, but quit on July 23, 2013, when he moved back to Prospect, Tennessee.

5. **The defendant shall participate in a program of drug testing at the direction of the U.S. Probation Officer.**

Mr. Gentry failed to report for drug testing on four occasions.

April 19, 2013                      August 2, 2013                      August 13, 2013                      August 16, 2013

6. **The defendant shall participate in a program of substance abuse treatment at the direction of the Probation Officer.**

On July 3, 2013, Mr. Gentry failed to report for substance abuse treatment. When questioned about missing substance abuse treatment, he stated that he was visiting family in Giles County and could not make it back to Nashville for substance abuse treatment.

7. **The defendant shall notify the probation officer at least ten days prior to any change in residence or employment.**

On July 23, 2013, Mr. Gentry moved back to Prospect, Tennessee, to live with his mother. He failed to notify the probation officer prior to moving.

8. **The defendant shall notify the probation officer within seventy-two hours of being arrested or questioned by a law enforcement officer.**

Mr. Gentry failed to notify the probation officer of the citation he was issued on July 17, 2013.

**Compliance with Supervision Conditions and Prior Interventions:**

Mr. Gentry was released to supervision on March 10, 2011. He has resided with his parents in Prospect, Tennessee, throughout the majority of his supervision. As of May 17, 2013, Mr. Gentry enrolled himself in Matthew 25, which is a half-way house in Nashville. He voluntarily left the program on July 23, 2013. He admitted that if he had not voluntarily left the program, he would have been discharged in the near future as he failed to show progress saving money and pursuing more stable employment. He has been receiving substance abuse and mental health counseling at Centerstone, since March 2011.

The Court was previously made aware of his violations on September 19, 2011, which included a positive drug screen for cocaine, failing to report for a drug screen, and not maintaining verifiable employment. On October 17, 2011, a modification hearing was held and Mr. Gentry's conditions were modified to include his 90-day residence at a half-way house. This stay was later extended by an additional 30 days, at Mr. Gentry's request. Mr. Gentry did well while at Diersen Charities and then Matthew 25 half-way houses. He secured work at Deal's Auto Detailing.

However on June 3, 2012, Mr. Gentry left his job at Deal's Auto Detailing and also left Matthew 25 half way house. He had already satisfactorily completed his required 120 days in a half-way house. He returned to his parent's home in Prospect on a pass to attend a family member's funeral. However he did not return to Matthew 25 and decided to stay with his parents, noting that his family needed him due to their legal issues and his mother's poor health.

While living in Giles County, Mr. Gentry struggled with transportation and finding employment. He was reportedly seeking disability income. Mr. Gentry returned to Matthew 25 to allow him to find work, continue with treatment, and make a life for himself away from Prospect, where he continually reported being unsatisfied with living in such a rural setting. As previously stated, he returned to Prospect on July 23, 2013.

**U.S. Probation Officer Recommendation:**

It is respectfully requested that the additional violations be considered at the revocation hearing scheduled before Your Honor on August 26, 2013. The U.S. Attorney's Office has been advised of the additional violation information.
